Terms & Conditions

All bookings made before the 4th April 2008 can be cancelled with no penalty and are fully refundable until that date. Any bookings made and cancelled after that date are fully non refundable.

Each trip must reach its minimum number to operate and for any trip that fails to reach its minimum number we will unfortunately be forced to cancel. Any bookings made for trips that fail to reach their minimum numbers will be refunded in full.

A trip will only operate during the event if it has reached its minimum numbers by 4th April. If a trip does operate attendees will be able to sign up for a trip while here outside of 24 hours of the particular trip. I am afraid this will not be possible within 24 hours of the trip.
